

HOPE FOR THE WARRIORS®
Invitational

AUGUST 20 - 22
RIVER LANDING COUNTRY CLUB
WALLACE, NC

Welcome from our Co-hosts, Doug Flynn & Johnny Bench

As you may be aware Hope For The Warriors is an important part of our lives and the lives of military families across the country. Over the years we have looked for ways to contribute our gifts while making a difference in the lives of our heroes—the men and women who have sacrificed while serving in our military. All of us have talents that can be used to enhance the lives of these men, women, and families so come join us for the Hope For The Warriors Invitational and help make a difference in their lives!

We will be spending time with these heroes at the Hope For The Warriors Invitational (August 20-22, 2017) at River Landing in Wallace, North Carolina, as we do every August. Our time together will be spent playing golf, attending an always memorable Warrior Night dinner, telling and listening to stories, and discovering a day in the life of a Marine!

Please join us in using your time, energy, and gifts at the Hope For The Warriors Invitational. You will leave inspired and fulfilled like never before. You will walk away with treasured memories, a stronger commitment to serve these heroes, and a feeling of pride that will inspire other supporters who want to make a difference. We look forward to seeing you at the 2017 Invitational!

History

Hope For The Warriors was founded aboard Marine Corps Base Camp Lejeune, in North Carolina, in 2006 as we witnessed, firsthand, the effects of war on our families and communities.

Mission

For the past ten years, Hope For The Warriors has been dedicated to serving those who have served. We provide a full cycle of care to restore self, family and hope to post-9/11 service members, their families, and families of the fallen.

Core Value

Hope For The Warriors understands the challenges, pride and joy of being a military family and we strive to honor the purpose of service.

Nationally, Hope For The Warriors provides comprehensive support programs for service members, veterans, caregivers, and military families that are focused on transition, health and wellness, peer engagement, and connections to community resources.

“Join us for the 2017 Hope Invitational. You will never hear the Star Spangled Banner again without thinking of these men and women. You will walk away with treasured memories, a stronger commitment to doing more and a feeling of pride that will be contagious to all you come in contact with.”

COMPREHENSIVE SUPPORT PROGRAMS

*A note from Robin Kelleher
Co-Founder and President, Hope For The Warriors*

I want to thank you for taking the time to consider sponsoring the Hope For The Warriors Invitational. Your support of this event will allow us to continue making an impact in the lives of our service members, veterans, military families, and families of the fallen in our communities. The support over the years from Murphy Family Foundation, River Landing Country Club, Johnny Bench & Doug Flynn, the Military Flag Officers, our event sponsors, and participants have helped make this annual event one of our signature fundraisers.

This multi-day event includes many unique experiences that make it one not to be missed.

One of the first events of the Invitational is Warrior Night, a borrowed tradition of ceremonial dining. Originally a British Army tradition, it has become an honored ritual of enjoying drinks, good food, and fellowship. But beware! Guests often find themselves in outrageous situations to be levied and fined! There is a serious side too as we pay homage to those who have served and are serving through toasts given by members of the mess. It is a hearty fun feast, so come prepare to drink and enjoy the comradeship.

The following day is the golf tournament and the awards. Experience all that the beautiful River Landing Country Club has to offer with exciting experiences on some special holes, like the AR shooting hole and lunch out on the course!

On the third and final day you will get to experience a day in the life of a Marine. Visit with Marine personnel who will walk you through their day, from weapons training to mess hall dining you will receive the full treatment and interact with some incredible American heroes.

I hope you will consider joining us for the 2017 Hope For The Warriors Invitational and thank you again for your consideration.
